

Words...

Von kleines_punkrockgirl

It's **strange...**

Words are our common way to **communicate**,
But **you** use them **to me**,
And there is **no meaning** in them...

You look me in the eye,
However there is **nothing**,
Damn...
Why is it like that...?!

I thought, we were **determined**,
Forever together...

Why do we look at **each other**,
And don't know, how to **speak**,
With or without **words...**

I want to know, how you **feel**!
I wanna tell you, how I do!
I want you to know, that I **love** you!

But it doesn't work...
I'm **speechless...**
