+Akatsuki stand around a fire in a dark cave.+
Leader: We are meeting here because we have a problem.
Itachi: Yeah - we're out of nail polish again!
Leader: that's not what I meant! Our group has a problem. We are too weak to catch the Kyuubi. We need support.
Plantguy: Let's just get Orochimaru back...

+The next day the corpse of the Plantguy was found swimming in a river. Next to uncountable punches it seems he was strangled with a creeper.+
